MUSICAL ORGANIZATIONS**College Band 910-911.**

Two hours per week throughout the year.

Lebanon Valley College maintains a uniformed band, the membership of which is made up of college and conservatory students. The band contributes to college life by playing at football games, by appearing on several programs during the year, and by providing the musical accompaniment for the annual May Day Fête. During the spring several concerts are given in various cities of this section of the state. Membership in the band is determined by an applicant's ability on his instrument and by the needs of the band with respect to maintaining a well-balanced instrumentation.

Girls' Band 912-913.

Two hours per week throughout the year.

This organization is open to girls of the Conservatory and College alike. Membership in this band is determined by the applicant's ability on her instrument, and by the needs of the band with respect to maintaining a well-balanced instrumentation. The group will participate in a Spring concert.

Symphony Orchestra 914-915.

Two hours per week throughout the year.

The Lebanon Valley College Symphony Orchestra is a musical organization of symphonic proportions. Open alike to advanced players from the college and the conservatory, the orchestra adheres to a high standard of performance. Throughout the school year a professional interpretation of a wide range of standard orchestral literature is insisted upon.

College Orchestra 916-917.

Two hours per week throughout the year.

The College Orchestra is open to all members of the Conservatory and of the College who are sufficiently qualified to belong to this organization.

Junior Orchestra 918-919.*One hour per week throughout the year*

Students of the elementary and advanced instrumental classes are given an opportunity to play their instruments in the Junior Band and the Junior Orchestra, thus gaining a type of valuable ensemble experience not possible to attain in the instrumental classes.

Glee Club 63-64.*One hour per week throughout the year*

The Glee Club is a mixed chorus of selected voices. The personnel of the organization, while open to all L. V. C. students, is limited to forty members. During the Spring the Club appears in concerts in several communities throughout this section of the state. Choral literature of the highest type is studied intensively.

College Chorus 61-62.*One hour per week throughout the year*

The mixed chorus is open to all on the campus who are interested in this type of musical performance and who have had some experience in singing.

Instrumental Ensembles. In addition to the larger musical organizations there is additional opportunity for advanced players to try out for such ensembles as:

- (1) String Quartet
- (2) Violin Choir
- (3) Brass Ensemble
- (4) Woodwind Ensemble

INDIVIDUAL INSTRUCTION

Voice, Piano, Organ, Chorus, Orchestral and Band Instruments.

The work in the foregoing fields will be organized from the standpoint of the development of musicianship in the individual student. The work continues through eight semesters and assures a well-rounded and many-sided acquaintance with various musical techniques.

Private instruction is provided in Applied Music (Piano, Voice, Organ, Violin, and all instruments of orchestra and band).

Piano: Mrs. Bender, Mr. Freeland, Mr. Battista.

Voice: Mr. Crawford, Mr. Taylor.

Organ: Mr. Campbell.

Violin: Mr. Marsh.

Brass: Mr. Rutledge.

Viola, 'Cello, and String Bass: Mr. Carmean.

A bulletin describing courses in Practical Music will be sent upon application.

JUNIOR DEPARTMENT

The Conservatory of Music sponsors a Junior Department especially adapted to children of elementary or high school age.

This Junior Department offers either private or class instruction in piano and all instruments of the band and orchestra. A desirable number for class instruction is from four to six members.

MUSIC AND THE A.B. DEGREE

Music study may be credited toward the A.B. Degree to a total of twenty semester hours (five semester hours per year). For such credit the requirements are as follows: Two half hour recitations per week in Applied Music, two hours per day in practice, two hour recitations per week in harmony.

Before entering upon this course of study the candidate must pass the examinations required by the Director of the Conservatory.

A student desiring credit for this course of study is expected to continue the same until graduation. Credit will not ordinarily be granted for a single year of study. Only under exceptional conditions may such credit be granted by the faculty upon recommendation of the Director of the Conservatory.

The College offers to students of exceptional merit the opportunity under careful guidance of arranging special electives either in work leading to the A.B. degree or the B.S. degree in Music Education (Public School Music), so that upon the attainment of either degree the subsequent degree can be earned by taking two or three semesters additional work.

THE STUDENT RECITALS

The student evening recitals are of inestimable value to all students in acquainting them with a wide range of the best musical literature, in developing musical taste and discrimination, in affording young musicians experience in appearing before an audience, and in gaining self-reliance as well as nerve control and stage demeanor.

Students in all grades appear on the programs of these recitals.

FEES

A Matriculation Fee of five dollars must be paid by all full-time students who are entering the College or Conservatory for the first time. This fee should accompany the application for admission. If a student's application is not accepted, the fee will be returned.
